Subject: RE: Citizen Complaint (CAA - FY15-124926-3714-CV) Referred to Region - Indianapolis

Julie,
We have received numerous similar complaints regarding this source over the past few years. There is a draft permit related to this facility on public notice currently and a public hearing was requested and is scheduled for February 16, 2015. Investigation of these complaints is ongoing; however, IDEM does not regulate odors and no significant violations of air rules have been determined at this time.
